- 1:45-3:45pm Presenters
- 4:00- ??? IAABO #111 Fall Business Meeting

For IAABO Board #111 members, the Fall Conference counts as four clinics for 12 of the 15 points needed to meet the ratings requirement. There will be a regional meeting held on a date other than the Refresher Test Review date that will count as three points towards the required 15. There will also be a December and January Clinic that can count towards the 15 points and if one already has 15 meeting points then the December and January clinics would each count as one half bonus point. The Refresher Test Review Session DOES NOT count for clinic points but meets the requirement of turning in the Refresher test.

Also, everyone is encouraged to bring a non-perishable food item to donate to local food cupboards.

The fee for this year's conference is \$35 which includes coffee/water during the conference and lunch. Registration deadline is 10/31/12 (late fee registration fee is \$40).
